

Development Through Education Organization

Introduction

A self-financed organization (established 2016) with the aim of providing quality education to children who are in need (mainly focus on orphans). Creating opportunities for those talented students who do not have access to quality education. Our assistance includes all education related expenses i.e. School Fee, After school Tuition Fee, Stationary, Uniform, Transportation Allowance, Family Allowance, Pocket Money etc. In addition to that we provide them guidance and information related to their further studies. Our volunteers are providing them after school homework and tuition classes. Volunteers regularly coordinates with schools, parents and teachers to ensure students' good performance.

Other Services

Besides our permanent assistance to students we also provide random help to people who are in need in various aspects of life. It includes amount for medical expenses, surgery, family assistance and community work.

Appeal

I on behalf of DTE management and donors request you to be part of our organization as permanent donor, temporary donor or a volunteer.

We are quite hopeful and assure you that your money would be spend with sense of responsibility and accountability. Your donation/assistance would be an asset and will be highly appreciated by DTE management and by Allah Almighty.

Thank you & JazakAllah.
